Hi Heather,

I hope you are having a great summer!

I wanted to reach out regarding an ongoing room reservation for DPP and PSEs. Can we have the multipurpose room in Hoaglin from 6:30-8:30 pm on Mondays?

Thank you!

Abby Hasselbrink

Of course I will hold the space and let you know if there is anything already scheduled on any of the dates... hope summer is going well.

Let's connect when you get back to campus on DPP plans for fall.
